To Whom It May Concern,

My name is Brittany Irvine and I am the Founder and Director of the Indiana Cuddle Cot Campaign. We are a non-profit organization dedicated to educating the community regarding Pregnancy and Infant Loss, providing resources to hospitals and staff, all while offering support to families who have suffered the unimaginable.

We are putting together a Bereavement Resource Guide for local hospitals. This guide will have a detailed listing of contact information as well as services provided by the businesses and organizations. Our goal is to have a unique list that will help direct staff on the appropriate resources to direct families too. We would greatly appreciate your input.
